***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the prior art of record did not teach or suggest a liquid crystal display comprising: a liquid crystal display panel comprising a first and second substrate, the display panel positioned between first and second transparent plates (distinct from the first and second substrates), wherein a rear polarizer is adhered directly to the display panel and positioned between the display panel and the second transparent plate and a front polarizer is positioned in front of the first transparent plate. The prior art of Yoshida (U.S. 5,818,559) did not disclose a rear polarizer adhered directly to the display panel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Chung whose telephone number is (571) 272-2288. The examiner can normally be reached on Monday-Friday from 8:30 am to 5:00 pm.
